**AMENDMENTS TO THE CLAIMS:**

This listing of claims will replace all prior versions and listings of claims in the application:

**LISTING OF CLAIMS:**

1. (currently amended) A method of playing a draw poker game comprising:

a) dealing a player a first five card hand from a first deck of playing cards;

b) dealing the player a second five card hand from a second deck of playing cards;

c) identifying to the player a playing card value for each of the playing cards of the first five card hand;

d) concealing from the player a playing card value for one or more of the playing cards of the second five card hand;

e) the player selecting either the first hand or the second hand;

f) identifying to the player a playing card value for each of the playing cards of the second five card hand not previously identified ~~where~~ in response to the player ~~selects~~ selecting the second hand;

g) the player either standing on the hand selected or discarding one or more cards from the hand selected;

h) dealing the player replacement cards for the discarded cards, if any;

i) determining a value for the player's selected hand as modified by any of said replacement cards based on conventional poker hand ranking; and

j) awarding the player a predetermined amount based on said ~~the value of the player's selected hand.~~

**Serial No.: 10/064,368**  
**Amendment Dated: September 3, 2004**  
**Reply to Office Action of May 5, 2004**

2. (original) The method of Claim 1, and further comprising the step of modifying the award to the player where the player selects the second hand.

3. (original) The method of Claim 2, wherein the player's selected hand having value under a conventional poker hand ranking is not awarded a predetermined amount where the player selects the second hand.

4. (original) The method of Claim 1 in which each deck of playing cards is a standard 52 card deck.

5. (original) The method of Claim 1 in which each deck of playing cards is a standard 52 card deck plus at least one extra Joker card which is treated as a wild card.

6. (original) The method of Claim 1 in which each deck of playing cards is a standard 52 card deck with at least one of the cards being treated as a wild card.

7. (original) The method of Claim 1 in which the value of the player's selected hand is determined by comparing the poker hand ranking of the player's selected hand to a payout schedule.

8. (original) The method of Claim 7 in which the predetermined amount based on the value of the player's selected hand is based on a payout schedule.

9. (original) The method of Claim 8, and further comprising modifying the payout schedule where the player selects the second hand.

10. (original) The method of Claim 9, in which a previously winning result provided by the payout schedule is removed.

11. (currently amended) A method of playing a draw poker game on an electronic gaming machine comprising:

Serial No.: 10/064,368  
Amendment Dated: September 3, 2004  
Reply to Office Action of May 5, 2004
